

Spinology B-Learning Training

- Do you want to help people enjoy a better quality of life?
- How about the idea of being your own boss, set your own schedule and your income?
- Furthermore, would you like to join the project of a vanguard profession and be part of an international team?
- If all this appeals to you, it is that you could be a spinologist!

Starting date, January 11th, 2019
